

## PRESIDENT'S MESSAGE

Dear Members –

Welcome to summer in central Illinois! I'm sure you've heard the old saying that we have just two seasons here in Illinois: "Winter" and "Construction." Well, this year, we've had our own little construction season over at our Eastland Drive headquarters.

If you've been in lately, you've surely seen the sawdust and smelled the paint as we've done some remodeling. Thanks for your patience

as we work to improve our facility to accommodate our growing personnel and storage needs. We do appreciate your understanding!

Naturally, business doesn't slow down just because we're under construction, so remember: there's still time for eligible members to take advantage of our Summer Skip-A-Pay program and free up some cash for all those summer expenses. If you haven't sent in a Skip form already, you have until July 31 to get in on the program.

The always popular Skip-A-Pay program is just one more way that we fulfill our mission of putting people before profits by offering responsible, innovative financial services to everyone in a safe and friendly environment.

If you're happy with your MICU experience, please tell a friend. Just ask for some Member Referral Cards next time you're here, then use them to invite a friend to join MICU. When your friend opens a qualified MICU account and turns in the card, they'll get a \$25 referral bonus, and so will you – because everybody wins at MICU!

Thanks for being a member of our credit union, and for the loyalty, faith and trust you have in this institution. We appreciate your business.

Sincerely,

Tom Stewart | President

## Attention Educators!

### Let MICU help you bring free financial education to the classroom!

Teach the value of a **dollar**.

We know that teachers need a resource for the often mandated, but

also underfunded curriculum of financial literacy. We also know that financial literacy has yet to achieve standard curriculum status so finding quality resources poses a real challenge. As a financial institution, we're deeply interested in helping young people become wise stewards of their money. We're also experts in teaching fiscal responsibility. For that reason, we're offering Banzai – an award-winning financial literacy program – to you and your students at no cost.

Our partnership with Banzai is one of the innovative solutions that MICU is pleased to provide to educators in McLean County. Since the inception of our partnership with Banzai, we've partnered with 80 teachers in 35 McLean County schools to bring this award winning financial literacy curriculum to nearly 6,000 students. The program comes complete with lesson plans and all the grading is automated. Banzai now offers curriculum appropriate for students ages eight and up.
