At the Annual Meeting, I shared the financial report from 2013 and then handed the meeting off to the Chairman of our volunteer Board of Directors, Jim Isom, for reports from the various board committees and the official election of our 2014 Board Members.

MICU at Mount Pisgah Celebrates One Year of Service!

Sabrina Coleman

On February 4, 2013, MICU at Mount Pisgah opened with just one goal in mind: to better serve our members by offering safe, convenient access to traditional financial services to those who need them.

Since then, we've welcomed 126 new members, opened 192 new accounts and helped dozens of members take the first steps to achieving financial stability.

Branch Manager Sabrina Coleman has led her team through an exceptional first year at the branch, and has this to say about their success:

"We have a great time working at MICU at Mount Pisgah! Members are so grateful that we've opened a location that's more convenient for them, and our employees take great satisfaction in knowing that they're helping people work towards a more stable financial future for their families.

Whether members come in just one time or once a day, we're here when they need us and we deliver what they want, when they want it – from opening someone's very first savings account to helping someone finance their first home, we do it all – with a smile."

Be sure to stop by the branch and congratulate Sabrina and her team on a great first year.

MICU's 74th Annual Meeting of the Members

Members also voted to approve the nominees for the 2014 board of directors.

Come by the credit union office if you want a copy of the Annual Meeting program but weren't able to attend the meeting. And make plans now to attend next year's meeting, when we'll celebrate 75 years of helping McLean County families build strong financial foundations.
